

MICHELLE & PAUL

THANK YOU

Thank you for taking the time to get to know a little bit more about us. We are humbled by your courage and the selfless act of love that you are showing your child through open adoption.

ABOUT US

We met at a friend's house playing Xbox Rock Band in Nov. '08 and were married in May '11. After struggling with infertility for 5 years, we were blessed with our son, Joseph, in 2016. We're looking to share our love and lives with another child in our Christian family. We know Joseph will be a great big brother.

We live in a 4 bedroom house in the SW Metro with Claire (the cat). Paul has a long and successful career in IT for a large financial institution, while Michelle loves being a stay at home mom.

A FEW WORDS ABOUT MICHELLE (BY PAUL)

Michelle's smile was the first thing I noticed while she was singing and I was playing Rock Band guitar all those years ago. Since then, I have also come to know her tender heart, her selfless giving, and her resilient spirit. Family comes first with Michelle whether it's playing card games, cooking a meal, or taking care of someone who's sick. She is a great wife and mother!

A FEW WORDS ABOUT PAUL (BY MICHELLE)

Paul is the love of my life! He is an honest, kind, and generous man, and an amazing father. A few of his favorite things include: playing golf, working out at the gym, and all things related to technology. A natural around babies and children, he considers himself a kid at heart and is a lot of fun to be around.

Paul grew up on a farm, while Michelle was raised in town. We are thankful to have kind, loving, and supportive parents who are in good health, as well as sisters, a brother-in-law, 2 nieces, and a nephew. We enjoy spending time with immediate family, as well as extended family.
